

PARTY PACKAGES

Information Pack

We're looking forward to welcoming you to Cycle Lab Bike Park for an exciting day of riding and celebration

Here's everything you need to know ahead of your visit.

What to Expect

Cycle Lab Bike Park is **Gauteng's home of adventure and skills**, offering a fun, safe and active outdoor experience for kids of all ages.

Set across **20 hectares with over 13km of purpose-built trails and 8 tracks**, the park caters to all riding levels, from beginners to more experienced riders.

On the day, kids can expect:

- A fun and active outdoor environment
- Riding and exploring the park
- A mix of free riding and structured activities

The Bike Park Experience

The park includes a range of purpose-built features designed to keep riders engaged and progressing:

- Kiddies tracks for younger riders
- Pump tracks and flow tracks
- Skills areas for building confidence
- Clearly marked trails for different skill levels

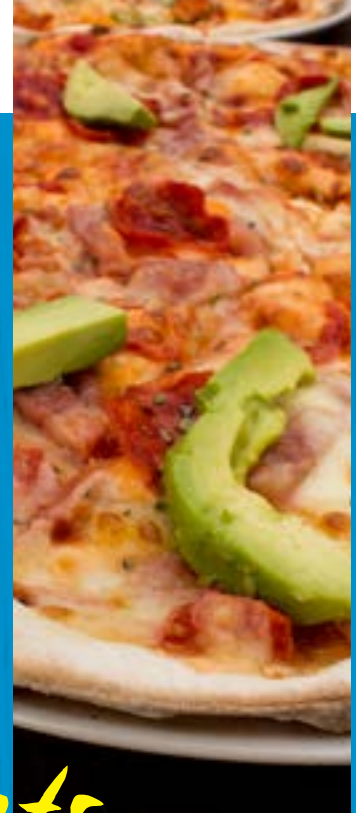

These areas allow riders to learn, practice and enjoy their time at their own pace in a safe environment.
